A home wedding was celebrated last Thursday evening, September 15, 1910, at the residence of Mr. and Mrs. D. W. Veal, of south of Marceline, when their daughter, Una Lucile, was united in marriage to Edgar H. Evans of Marceline. The ceremony was performed by the Rev. J. L. Leonard of Brookfield at 6 o'clock. Miss Bernice Allen of Marceline sang "O Promise Me," and also played the wedding march. The bridal couple stood under an arch of goldenrod and asparagus. The ribbon bearers, Misses L. N. Green, Letha Veal, Virle Reddin, Gay Maupin, Verda Veal and May Mitchell, wore towns of the rainbow colors in the varying shades of dark blue, old rose, light blue and apricot. The bride wore a gown of white on over crepe-de-chine and the groom wore the conventional black. After the ceremony the bridal pair was led to the dining hall, which was decorated in green and gold, where a three course supper was served. Misses Lauvah tiedrick and Letha Veal presided at the punch bowl. J. A. Nickell, photographer, of Marceline was present and took pictures of the crowd numbering between 50 and 60. They received many useful and pretty presents. The bridal couple left Saturday morning for Colorado Springs, Denver and other points in the West.

Will Player of 10 miles north of town was here Saturday the first time in several weeks. His absence was caused by a rising on his right jaw that had to be lanced three times, and is now far from well. The wound seems to be healing, and we hope he may soon be all right.

There were two burglaries in town Saturday night, one was that of Webster & Mode's Cafe, which was entered from the rear and many eatables and some small change taken, and the other was Herman, Glassen & Co. hardware store which seems to have been entered by way of the front door, with a false key, and some guns, pistols, ammunition and cutlery taken. So far there is no clue to the thief or thieves, but efforts will be made to ferret them out. It has been some time since the night prowlers gave our city a call, but this last attack shows that they possess nerve and vigor and prompt steps should be taken to check them. Later—Two of the light fingered gentry were caught at
